Venues

Due to Covid 19 our usual practise venue may not be big enough to adhere to social distancing regulations. Margery will contact Live Borders to see if the Corn Exchange in Melrose would be available and the cost of hire.

Chris will enquire about hiring St John's Church in Selkirk.

Anne will enquire about Melrose Parish Church Hall.

Anne will also provisionally book Melrose Parish Church for a Christmas concert in December

AOB

It was decided to send a questionnaire to the members via e mail to see what their thoughts are on the subject of venues and Health and Safety.

Margery and Norman will liaise on this subject.

James asked if members had any objections to future meetings being held by Zoom while the current restrictions are in place. No objections were noted.

Nirved very kindly agreed to host a Summer garden party for members to get together once restrictions are lifted and we are allowed to meet outside.

Weather permitting !!!!!

No other business.
